

Коллекция цветов Tikkurila Symphony (OPUS I-II)

Tikkurila Symphony является передовой и одной из крупнейших цветовых гамм лакокрасочных материалов, созданных в помощь архитекторам, дизайнерам и малярам. Она включает в себя 2 436 базовых оттенка. Оттенки, включенные в коллекцию Symphony, представляют полный цветовой спектр и поэтому значительно облегчают выбор цвета из более чем 20 000 оттенков Tikkurila. Колеровка красок в оттенки коллекции Tikkurila Symphony гарантирует идентичность цвета, что во многом облегчает труд профессиональных дизайнеров и архитекторов.

Для удобства использования цветового каталога Tikkurila Symphony онлайн, он разделен на десять цветовых групп: желтые и оранжевые, бежевые, коричневые, красные, розовые, фиолетовые, синие, зеленые оттенки и теплые, холодные оттенки природы. Для просмотра определенной группы необходимо кликнуть на соответствующую иконку в нижней части листа. Для того, чтобы вернуться в начало каталога, кликните на кнопку возврата в правом нижнем углу каждого листа.
